I bid you welcome at my website.

You should be able to enjoy your stay here when you are interested in one of the following parts:

- A [weblog](#) mostly about programming and web development (python, Zope, Plone) and the occasional book review or a thought about life with God.
- A [podcast](#) with *Dutch* sermons. It helps if you can understand Dutch there. ;-)
- Some reports about my [study](#) Informatics.
- [Various](#) unrelated information, like the route to my house.

The default language of this site is English. You can switch to Dutch by clicking the link below. Throughout the site you can switch languages by clicking on the language flags.
